

# AUDITION INSTRUCTIONS

Anyone interested in being considered for a featured role, must audition. Auditions will be held on Thursday, August 23rd. 1st-5th graders should attend from 5:30-7:00. 6th-12th graders should attend from 7:00-8:30. Everyone should attend class even if they do not plan on auditioning.

For auditions, you should prepare one minute of a Broadway style song. You must bring an instrumental track with you to auditions. This can be in the form of a CD or on an iPod or iPhone. If you bring it on an iPhone, make sure it is on airplane mode and not locked with a passcode.

Younger students who are interested in auditioning for JoJo should read the JoJo Audition Instructions carefully and make sure to prepare the right thing. Students auditioning for JoJo do not need to bring anything. Instrumental music will be provided.

For auditions, make sure to start on your audition material as soon as possible. Be confident!
